Dear Mr. Browne,

Your letter of the 26th was received.

The Resolution I shall offer will contain a clause permitting use of all insignias now in use but the Resolution will prescribe a standard for the future.

I am glad that you are satisfied that Tiffany's new design is very entirely as it should be. You may be correct about the double loops.

I believe the design ^{I shall offer} (in die form, beautiful) is the first effort to suggest a truly accurate and Constitutional insignia and I shall be prepared to present the matter in an attractive form. I think it better not to mention the matter until we meet as I don't want opposition, neither do I want my design adopted unless it is generally approved. Thank you again for your interest.

Yours sincerely,

E. J. Sellers
